2009 Finney County Fair
Suggestion Sheet

The Finney County Fair Board is continuously seeking ways to improve the Finney County Fair. If you have suggestions for improvements, if you really liked something, or really didn't like something about this year's fair, we would appreciate you letting us know about it. Just jot down any comments on this form and when completed, you can either drop it at the Fair Office or fold the sheet in half, place a stamp on it and drop it in the mail.

Your suggestions will only be considered if you provide your name, address and phone number for follow-up purposes if needed. We really appreciate your comments. Thank you for taking the time to share your thoughts about the 2009 Finney County Fair.
